Thank you Mick. I knew nothing about this until Brian filled me in as I was packing up to leave. Brian did not attend either. I think it would have been helpful if we had somebody in the loop on this.

Ex. 6 - Personal Privacy Terri will be around for any press office support they need (unless HQ takes this over.) Have a good weekend.

Subject: Draft Action Plan for Dimock

As a follow-up to the Administrator's briefing this afternoon on Dimock, attached is a draft of the action plan we are scheduled to provide to HQ by close of business today.

I recognize it is basically just an outline but keeping it like this should provide us with objectives and tasks balanced with the flexibility we need to implement actions when there are many uncertainties.

Your comments immediately would be appreciated.

Thanks, dennis.
